## **Invited Presentations**

*Muslims and New Media*. (October 2018): Invited to present research on Muslim use of new and social media in the Future of Journalism class at Ohio University's E.W. Scripps School of Journalism in Athens, OH.

*On Islam: Muslims and the Media* (July 2018): Invited to present research and philosophy informing the creation of the book *On Islam: Muslims and the Media* at American Mensa's national convention in Indianapolis, IN.

*Muslims and Islam in News Media* (April 2018): Invited to participate in symposium "Representations of Religion" hosted by Indiana University's Media School. Discussed the negative representations of Muslims in news media as well as what journalists can do to better reflect Muslim communities.

*Challenges Facing Journalism Education in Western Asia* (April 2018): Invited to participate in symposium "Journalism in Asia: Current Trends and Challenges" hosted by the Valenti School of Communication at the University of Houston. Discussed challenges facing journalists and journalism educators in countries like Turkey, Syria, Iraq, and Iran.

*Muslims, Islam, and the Media* (July 2015): Spoke to members of the Bloomington, IN Press Club about representation of Muslims in media, about how media sometimes perpetuate stereotypes, and how media producers can work to create more nuanced and contextualized representations of Muslim life.

*Weaving Together a Socially Mediated Muslim Self* (March 2015): Present research on how Muslim bloggers use Tumblr in Indiana University's Islamic Studies Program's Lecture Series. Took questions about findings from a mixed audience of graduate students, faculty, and local community members.

*Introduction to Social Media* (April 2014): Work with Burmese high school students traveling in the United States on a United States Department of State program. Introduce them to social media, how it can be used to effect social change, and aid in the creation of social media sites for the group's use during their visit.

*Tweeting a Revolution: How Twitter Helped Shape the Story of the 2011 Arab Uprisings* (May 2013): Panelist during Indiana University's ICCI Global Mini-Conference. Discussed the way social media was utilized during the 2011 Arab uprisings with educators from the United States and Canada.

*Social Media and Steubenville* (March 2013): Panel discussant during Robert Morris University's "Celebrating Communication" event. Panel focused on the impact of social media on the "Steubenville [Ohio] rape case" as well as what some of the potential fallout from the situation might be. Panel included Alexandria Goddard, blogger who helped bring attention to the case.

*The Role of Media in Global Affairs* (August 2008): Sole presenter on topic during International Studies Summer Institute sponsored by Indiana University's Center for the Study of Global Change. Spoke with group of thirty high school teachers about the ideas of bias and objectivity in journalism; also, how culture and politics affect the practice of journalism.
